Fanaticism

The aptitude & art of creation of Clocks and its Ticking Seconds is like my Heartbeats on which my Existence Hinges on.

I indeed believe that Real Creativity & Craftsmanship lies in one's own perception and not cribbing.

The vast range of my Creation is the result of my Fanaticism in which my Blood is Poured, which brings the world Class Quality of Wooden finish, Craftsmanship to all "WERTEX" Clocks making them true & indefatigable Time pieces.

Yes its Truly indefatigable Time pieces Even Leaders like to follow it !!! THIS PROVES EVERYTHING.
